The Ontario Government has enacted *Rowan's Law (Concussion Safety), 2018*, S.O. 2018, c. 1 *("Act").* Ontario Regulation 161/19, the *Act* requires all sport organizations as defined in the Regulation ("Sports Organization"), which includes the Ontario Hockey Federation ("OHF"), to have a Concussion Code of Conduct. This Concussion Code of Conduct must require participants, as set out in the Act, to review the Ontario Government's issued Concussion Awareness Resources on an annual basis. A participant is subject to a Concussion Code of Conduct for each Sports Organization a participant registers with.

Applicable age appropriate Concussion Awareness Resources are located at <a href="www.ontario.ca/concussions">www.ontario.ca/concussions</a>. The OHF Concussion Code of Conduct and the appropriate Concussion Awareness Resources must be reviewed before you can register/participate in the OHF.

# APPENDIX A

OHF Concussion Code of Conduct

2019-2020

## I will help prevent concussions by my commitment to:

- Wearing the proper equipment for my sport and wearing it correctly;
- Respecting the rules of my sport or activity; and
- My commitment to fair play and respect for all\* (respecting other athletes, coaches, team trainers and officials).

### I will care for my and others health and safety by taking concussions seriously, and I understand that:

- A concussion is a brain injury that can have both short- and long-term effects;
- A blow to the head, face or neck, or a blow to the body that causes the brain to move around inside the skull may cause a concussion; and
- A person doesn't need to lose consciousness to have had a concussion.

#### I will commit to:

- report any possible concussion received during participation in the OHF to a designated person;
- recognizing a concussion or possible concussion and the reporting to a designated person when an individual suspects that another individual may have sustained a concussion;
- sharing any pertinent information regarding incidents of a removal from sport with the Player's school and other sport organization with which the player has registered;
- sharing any pertinent information regarding incidents of a concussion that have occurred outside of participation in the OHF to a designated person with your/individual's Team;
- Complete Injury Report Forms in a timely manner and ensure they are submitted to the Member;
- Give commitment to providing opportunities before and after each training, practice and competition to enable participants to discuss potential issues related to concussions; and
- Maintain an open dialogue with all athletes and participants (and parents/guardians in cases of minors) about their health and any signs and symptoms of concussion they may experience.

#### I will commit to respect the OHF Removal and Return to Play Protocol by:

- Understanding that if I have a suspected concussion, I will be removed from sport and that I will
  not be able to return to training, practice or competition until I undergo a medical assessment
  by a medical doctor or nurse practitioner and have been medically cleared to return to training,
  practice or competition;
- Understanding I will have to be medically cleared by a medical doctor or nurse practitioner before returning to training, practice or competition;
- Respect the roles and responsibilities of all coaches and health care professionals in Return to Play protocol; and
- Respond appropriately with Return to Play protocols if a participant is experiencing concussion related symptoms or if you suspect any participant has sustained a concussion.
